All lenses have a high quality MAR coating already included. If you want the base lens price of an uncoated / Hard Coated lens price, deduct £40 e.g. BBGR Hard Coat stock 1.5 £110 less NMUV £40 = £70

e.g. BBGR SV 1.5 NMUV Blue = £110 (base lens incl NMUV) minus £40 (NMUV cost) = £70 then ADD £50 for NMUV Blue = £120
